

Dear BED members:

Hi there! The countdown is on - 6 weeks (or 2 more newsletters, if that's your preferred measurement unit ☺) until we gather for ASEE 2023 in **Baltimore June 25-28**. You can [build your conference schedule now](#) – **don't forget to add your ticket for the BED Social and Awards Banquet on 6/27 at La Scala Ristorante Italiano!**

Enclosed are some timely announcements: **today's is the deadline to submit your idea [here](#) for the BME Education Showcase Session**. The BED is also seeking nominations to fill a handful of officer positions, please self-nominate or nominate a colleague using the information below! Plus, there is a new BEEC Share and Learn this Wednesday 5/17 (<http://beecvirtual.org/beecshareandlearns.html>)

Have a fantastic week.

All the best,
Tanya Nocera, BED Division Chair
The Ohio State University

BED Announcements for 5/15/23

General Announcements (e.g. upcoming Webinars, upcoming seminars, upcoming grants, publication opportunities, etc.)

1. **CALL FOR NEWSLETTER CONTENT:** ASEE BED Bi-monthly Newsletter
2. **CALL FOR PARTICIPATION:** 2023 ASEE Conference Registration and Housing is open! [Registration \(asee.org\)](https://www.asee.org)

3. **CALL FOR PARTICIPATION: BME EDUCATION SHOWCASE SESSION** at ASEE 2023 – **submit your idea [here](#) by 5/15/23**
4. **CALL FOR PARTICIPATION: ASEE BIOMEDICAL ENGINEERING DIVISION NEW OFFICER NOMINATIONS due 6/5/23**
5. **PLANNING TRAVEL: [ASEE BED 2023 CONFERENCE SCHEDULE](#)**
6. **CALL FOR PARTICIPATION: ASEE COMMISSION ON DIVERSITY, EQUITY AND INCLUSION (CDEI)**
7. **CALL FOR PAPERS: GRADUATE EDUCATION IN BIOMEDICAL ENGINEERING**<https://www.springer.com/journal/43683/>

BME Education Resources for You

1. **CALL FOR PARTICIPATION: Biomedical Engineering Education Community (BEEC)** <http://beecvirtual.org/>
 - a. ***Teaching Tuesdays*** (Every Tuesday in Slack!)
 - b. **Join the *May Share and Learn*** (May 17, 2023, 1-2pm EST)

Position Announcements

None.

General Announcements

1. **CALL FOR NEWSLETTER CONTENT: ASEE BED Bi-monthly Newsletter**

As of 2021, the ASEE BED has started to share a bi-monthly newsletter with the community. We share general resources, BME Education Resources for Students and Faculty, Upcoming Positions, Engineering Education Research Resources. Information will be shared in consecutive emails. If you have information to share with the community, please send your announcement to the BED listserv, as a 2-3 paragraph description including any relevant URLs and contact info as well as a subject line. Do not include any attachments. Be sure that the announcement includes the person to contact with questions. Email all of this information to Tanya Nocera at nocera.15@osu.edu with [BED Announcement] in the subject line to facilitate email sorting. Announcements will be sent out on approximately the 1st and 15th of each month. Each set of announcements will be included in the announcements email twice. Announcements will also be recorded on the BED website (<https://sites.asee.org/bed/>) and HUB (<https://aseehub.asee.org/groups/home/34#active-group-members>).

2. **CALL FOR PARTICIPATION: 2023 ASEE Conference Registration and Housing is open!**

Join us at the nation's premiere engineering education conference promoting research, education, collaboration, networking opportunities, and vibrant discussion.

A record 3,440 abstracts (50+ in BED!) have been accepted for the annual conference that will feature more than 400 technical sessions and thousands of authors and speakers, with peer-reviewed papers spanning all disciplines of engineering education. Join the engineering education community at this milestone event!

3. CALL FOR PARTICIPATION: BME Education Showcase Session at ASEE 2023

Attending ASEE 2023 in Baltimore? Have a classroom activity to share with the BED? Keep reading to learn how to sign up for a low stakes (but fun!) ASEE BED session where you can share an effective BME classroom activity with others.

BME Education Showcase Session is Recruiting Participants

BME educators will get 5 minutes to demonstrate their most effective classroom activities, such as icebreakers, hands-on activities, team building, classroom demonstrations, technology tips, or pedagogical strategies. The Showcase will be on Wednesday, June 28, 2023. No idea is too small! We are looking to build excitement around the small (but mighty) things we do in our classrooms. And – as a bonus – we encourage participants to list your involvement on your CV.

Submit your idea [here](#) by May 15, 2023

Presenters chosen will be notified by June 1, 2023

Google Form link: <https://forms.gle/uzTS1bSq1WtuJ5xd9>

4. CALL FOR PARTICIPATION: ASEE BIOMEDICAL ENGINEERING DIVISION (BED) NEW OFFICER NOMINATIONS

[BED officers](#) serve a variety of functions to help ensure that we have a great BED program at the ASEE conference. The officers conduct other division business throughout the year as well. We encourage you to **attend the BED business meeting (Tuesday, June 27, 2023, from 1:30-3pm in the Baltimore Convention Center Ballroom 3 & 4)** to learn more about the BED and the officer positions.

New officer elections will occur at the BED business meeting for the following open positions:

Program Chair-Elect: Manages the Work In Progress portion of BED program at the Annual Conference. It is expected that this individual will subsequently serve as Program Chair, Division Chair, and Division Past Chair in the following 3 years. (1-year term with subsequent commitments totaling 4 years)

Treasurer: Oversees and maintains the financial records of the Division. (2-year term)

Awards chair: Manages the process of awards nominations and leads the awards selections committee. (2-year term)

Secretary / Webmaster: Records minutes at the BED business meeting and other meetings throughout the year, produces division publications, and maintains BED website. (1-year term)

Events chair: Organizes and plans the BED social and awards dinner at the Annual Conference, and any other events that arise. (1-year term)

Member at Large: Serves as judge (and recruits other judges) for the poster session at the Annual Conference, serves as judge for the BED Travel Award(s), and serves in other capacities on an ad-hoc basis. (3-year term)

We are seeking at least 2 candidates per open position (per the BED bylaws).

If you are interested in running for an officer position (or would like to nominate someone else), please contact Aileen Huang-Saad, Nominating Committee Chair (a.huang-saad@northeastern.edu) **by Monday, June 5** with the following:

1. Candidate Name
2. Email address
3. Photo
4. 1 Paragraph bio to be shared with the division before voting occurs

Also please visit the officer's webpage (<https://sites.asee.org/bed/contact-us/>) if you would like to contact current officers directly to get more information on the responsibilities/work load for a particular position.

Thank you and we look forward to your participation in elections!

5. PLANNING TRAVEL: ASEE BED 2023 CONFERENCE SCHEDULE

As you are planning your travel, you can review the BED ASEE schedule by filtering by Biomedical Engineering

Division: <https://nemo.asee.org/public/conferences/327/registration/sessions> (ignore all sessions labeled "N/A" - they will be removed). **Papers will be assigned to sessions between 5/2 and 5/15.**

BED's last session ends at 3pm on Wednesday of the conference. In addition to our technical sessions, poster session, business meeting, and banquet, we are thrilled to offer the following special sessions:

- **Biomedical Engineering Speed Networking: **fan favorite**** This speed networking event kicks off the Biomedical Engineering Division (BED) programming at the ASEE conference. The goal of this session is to develop connections and build community among educators in biomedical engineering. The format will consist of 1-on-1 pairings followed by small-group discussion. Join new and returning members of the BED community to exchange ideas and expand your professional network.

- **Bringing the Biomedical Engineering Community Together to Develop the Future Biomedical Engineering Workforce: ****new****** The ASEE Biomedical Engineering Division partners with the Biomedical Engineering Society (BMES) Education Committee to invite all members of the biomedical engineering community together for a panel and smaller group dialogue on: What is the future of the biomedical engineering workforce? What are we doing to prepare our students? What are the gaps? This special session features panelists representing the medical devices industry, the government (FDA and NIH NIBIB), and academia.
- **Building Pathways to Biomedical Engineering Education Publication: ****new****** How do we create scholarship around our teaching to share with our colleagues? In this session, we will outline some types of education-focused publications based on research questions, application of evidence-based best practices, and tips for faculty development. You will have the opportunity to reflect on your innovations in teaching and learning as well as how you know if they're successful. You will have an opportunity to share feedback with other participants to help you build collaborations and begin or continue to map a path towards publishing your own work in biomedical engineering education.
- **Biomedical Engineering Education Showcase: ****new****** Biomedical engineering educators take 5 minutes to demonstrate their most effective classroom activities, such as icebreakers, hands-on activities, team building, classroom demonstrations, technology tips, or pedagogical strategies.

Please direct questions to BED chairs Sarah Rooney (sirrooney@udel.edu) and Rachel Childers (childers.73@osu.edu).

6. CALL FOR PARTICIPATION: ASEE COMMISSION ON DIVERSITY, EQUITY AND INCLUSION (CDEI)

- CDEI needs your help on all [committees](#)
- Check out Virtual Workshop Recordings on CDEI's [YouTube Playlist](#)
- Self-nominate for [CDEI's best paper award](#) (BED is putting forth nominations through a committee, also)
- Provide ideas to CDEI for the [ASEE conference](#)
- CDEI is currently setting plans for next year. Ideas include member mentoring, formal reviewer training, and community building.
- **Check out CDEI:**
 - **LinkedIn:** https://www.linkedin.com/company/asee_cdei/
 - **Twitter** @ASEEDiversity
 - **Blog:** <https://diversity.asee.org/deicommitee/blog/>

7. **CALL FOR PAPERS: GRADUATE EDUCATION IN BIOMEDICAL ENGINEERING**

Biomedical Engineering Education announces a special call for papers focused on graduate education in biomedical engineering. Graduate education is broadly defined as formal education, such as masters and doctoral programs, and also broader topics that surround graduate or postdoctoral training. Examples may include graduate curricular elements, graduate program types, graduate professional and psychosocial support programs, admissions and promotion criteria, career placements, bridge programs or lifelong learning programs for alumni, mentoring programs, programs that develop graduate diversity, inclusion, and equity culture, extracurricular activities, and research or professional development training programs.

All papers types are welcome: <https://www.springer.com/journal/43683/>.

Questions - ann.saterbak@duke.edu.

BME Education Resources for You

1. **CALL FOR PARTICIPATION:** Biomedical Engineering Education Community (BEEC) <http://beecvirtual.org/>

2. **Teaching Tuesdays!**

Over on the BEEC slack channel, we are having monthly discussions around a different topic.

Come join the conversation! Link can be found on the BEEC website: <http://beecvirtual.org/>

b. May Share and Learn: 5/17/23, 1-2pm EST - brown bag collaborations, share ideas with your colleagues

This Month's Leads: Michele Grimm, University at Albany

Prompt: "Teaching Biomechanics: Creating an Interactive Laboratory Experience"

Where: Zoom – Register

Here <http://beecvirtual.org/beecshareandlearns.html>

Position Announcements

None.
