

Dear BED members:

Greetings from the middle of OSU's spring break! I am writing from my sunny Columbus home-office, as I take in the spring-like views of half-dead, snow-dusted grass ;-) I hope you all are doing well and feeling energized by the fact that summer break is just around the corner.

This week's newsletter is on the lighter side. Please note: there is a **BEEC Share and Learn at 1pm ET today!** The BED survey to gauge interest and **feedback for a new mentorship program is also DUE TODAY!** See below....

All the best,

Tanya Nocera, BED Division Chair

The Ohio State University

General Announcements

1. **CALL FOR NEWSLETTER CONTENT:** ASEE BED Bi-monthly Newsletter

As of 2021, the ASEE BED has started to share a bi-monthly newsletter with the community. We share general resources, BME Education Resources for Students and Faculty, Upcoming Positions, Engineering Education Research Resources. Information will be shared in consecutive emails. If you have information to share with the community, please send your announcement to the BED listserv, as a 2-3 paragraph description including any relevant URLs and contact info as well as a subject line. Do not include any attachments. Be sure that the announcement includes the person to contact with questions. Email all of this information to Tanya Nocera at nocera.15@osu.edu with [BED Announcement] in the subject line to facilitate email sorting. Announcements will be sent out on approximately the 1st and 15th of each month. Each set of announcements will be included in the announcements email twice. Announcements will also be recorded on the BED website (<https://sites.asee.org/bed/>) and HUB (<https://aseehub.asee.org/groups/home/34#active-group-members>).

2. CALL FOR PARTICIPATION: 2023 ASEE Conference Registration and Housing is open!

Join us at the nation's premiere engineering education conference promoting research, education, collaboration, networking opportunities, and vibrant discussion.

A record 3,440 abstracts (70+ in BED!) have been accepted for the annual conference that will feature more than 400 technical sessions and thousands of authors and speakers, with peer-reviewed papers spanning all disciplines of engineering education. Join the engineering education community at this milestone event!

Position Announcements

1. POSITION ANNOUNCEMENT: Open Teaching professor position at Arizona State University (ASU)

The [Ira A. Fulton Schools of Engineering](#) at [Arizona State University](#) (ASU) and the School of [Biological and Health Systems Engineering](#) (SBHSE) seek applicants for a teaching professor (all ranks). The School of Biological and Health Systems Engineering, one of the seven Fulton Schools, houses a vibrant multidisciplinary bioengineering research community with expertise in synthetic biology, systems bioengineering, bioimaging, biosensors, molecular, cellular and tissue engineering, regenerative medicine, and neural rehabilitation engineering (learn more at <https://research.engineering.asu.edu/>).

Appointments will be made at the teaching professor (all ranks) rank commensurate with the candidate's experience and accomplishments, beginning in August 2023. We seek applicants who will contribute to our academic programs, promote transdisciplinary teaching, and help the university to achieve its aspirations, including enabling student success, transforming society, and valuing entrepreneurship. Job responsibilities include teaching undergraduate and/or graduate courses in biomedical engineering in both on-campus and online formats. Other responsibilities include holding office hours, supervising undergraduate design and research projects, and participating in the course and program assessment. This position is a non-tenure track. It is anticipated that the contract will be renewed annually, subject to satisfactory performance and the needs of the unit.

Qualifications and application instructions can be found at: <https://apply.interfolio.com/120390>

For additional information regarding position specifics, please contact the search committee chair, Professor Brent Vernon, via email at Brent.Vernon@asu.edu.

To send an announcement to the BED listserv, please prepare a 2-3 paragraph description including any relevant URLs and contact info as well as a subject line. ***Do not include any attachments.*** Be sure that the announcement includes the person to contact with questions. Email all of this information to Aileen Huang-Saad at nocera.15@osu.edu with **[BED Announcement]** in the subject line to facilitate email sorting. Announcements will be sent out on the 1st and 15th of each month. ***Each set of announcements will be included in the announcements email twice.*** Announcements will also be recorded on the BED website (<https://sites.asee.org/bed/>) and HUB (<https://aseehub.asee.org/groups/home/34#active-group-members>).
