Flyer Masters Program Workshop 2023 BMES.pdf; BMES Flyer.png;

Dear BED Members:

This is a special, off-cycle issue of the BED announcements containing only just-in-time information for those attending the BMES annual meeting this week. Safe travels to those attending the conference!

Sarah I. Rooney, ASEE BED Division Chair  
University of Delaware

### **BMES Just-in-Time Announcements 10/10/23**

1. Education Social @ BMES
2. BMES BME Master's Program Workshop: Types and Challenges

\*\*\*\*\*

#### **1. Education Social @ BMES**

You are cordially invited to join an informal gathering of BME educators at BMES. Meet new faces, network, and enjoy some local food. Join us at Jupiter Bar- 2126 2nd Ave Suite A on Friday, October 13 at 7:00pm. See attached flyer. Refer to [this link](#) for information about BME education-related communities.

#### **2. BMES BME Master's Program Workshop: Types and Challenges**

Please join us for the BME Master's Program Workshop: Types and Challenges on Thursday, October 12th from 12:30-2:00pm in room 434 of the Seattle Convention Center (Summit). This workshop is intended for Masters Program Directors, Department Chairs, Faculty, and Graduate Program Staff and our goal is to discuss the types, challenges, and opportunities of BME Master's programs. See attached flyer.
