Dear BED Members:

One thing I love doing in class is adding polls (like TopHat, Polleverywhere, or Slido) to monitor engagement and get live feedback from students. I'm going to try adding that to newsletters. Let's see how this works with the first poll. Are you really reading this newsletter? Let me know! ([View/vote in browser](#))

Rachel Childers
2024 ASEE BED Division Chair
The Ohio State University, childers.73@osu.edu

This email has been sent using the Biomedical Engineering Division ASEE listserv. Please do not respond to this email address. Responses can be sent to childers.73@osu.edu

Congratulations Corner

1. **Dr. Eileen Haase elected to AIMBE College of Fellows.** Dr. Haase, Teaching Professor at Johns Hopkins University, was recognized "for outstanding contributions to biomedical engineering education in the U.S. and Africa and numerous innovations in undergraduate and graduate teaching." <https://hub.jhu.edu/2024/03/25/johns-hopkins-aimbe-college-of-fellows/>

2. **Submit Your Accomplishments:** Submit [this short form](#) to be featured in an upcoming ASEE Biomedical Engineering Division newsletter to highlight member accomplishments (self-submit or submit on behalf of someone you know). We will highlight accomplishments that are related to BME education and induction of ASEE BED members as fellows of related professional organizations (e.g., BMES, AIMBE). Seeing the teaching and career-related accomplishments of colleagues in education-focused roles has served as important inspiration for me over the years, and I hope it will do the same for you!

General Announcements

1. Biomedical Engineering Education announces a special call for papers focused on computing in biomedical engineering education. We aim to solicit papers from a wide range of courses and programs, spanning introductory and advanced college courses that have a computing or programming element, K-12 outreach, "boot camps," hackathons, community partnerships, and other co- and extracurricular experiences, as well as evolving topics such as data science and generative AI. Submission guidelines and details on paper types can be found at: <https://www.springer.com/journal/43683/submission-guidelines>. Submission of manuscript is due October 15, 2024.

Participate

1. Register Now for BME-IDEA!
Join us for the Biomedical Engineering Innovation, Design, and Entrepreneurship Alliance (BME-IDEA) Meeting at Johns Hopkins University, which will be held over two days from October 22 to 23, 2024! This event will gather leaders in biomedical engineering to network and discuss innovation, design, and entrepreneurship in biomedical engineering education. Register now to be a part of these transformative discussions! We also invite you to submit your work for our special Snapshot Session or get feedback on new ideas through our Working Sessions.
Event Highlights:
 - Day 1: Welcome Reception and Networking Dinner, Oct 22, 2024, 4:00-8:00 PM EST
 - Day 2: Full-Day Workshop, Oct 23, 2024, 8:00 AM - 6:00 PM EST
 - Registration Fee: \$100
 - Location: John Hopkins University (Baltimore, Maryland)For more details and to register, please visit our registration page.
2. **Survey on BME Capstone/Senior Design** - Nicole Ramo, an assistant professor at West Chester University (WCU), is surveying the structure of capstone/senior design courses across various BME programs. The primary motivation is to inform the refinement of the capstone experience for students and faculty in the new BME program at WCU. The survey should take 5 - 10 minutes to complete: https://wcupa.co1.qualtrics.com/jfe/form/SV_bw2U3vPPdi4gsbc . Please contact Nicole Ramo (nramo@wcupa.edu) with any questions.
3. **BE NSPIRE - Biomedical Engineering Network of Students and Post-docs in Research and Education: Mission** - A Biomedical Engineering Hub for Connecting Minds and Advancing Knowledge for Transformative Educational Experiences. We are a hub for students/post-docs to engage in research discussions, novel teaching practices, and networking opportunities in Biomedical Engineering. Our online forums, workshops, seminars, and collaborative initiatives will unite the next generation of Biomedical Engineering educators. Please [use this link](#) to join our Slack! If you have any further questions, concerns, or comments please contact: be.nspire0@gmail.com

Position Announcements

Note: We advertise positions that have a BME education focus to ensure relevance to our BED members. Advertisements may include the following: teaching-focused faculty (TT or NTT) or staff positions, TT positions at PUI or R2+ institutions that have a larger workload and emphasis on teaching, and TT positions that allow for educational scholarship instead of traditional engineering research. If submitting a job posting, please ensure it meets these criteria.

Call for Newsletter Content

The ASEE BED bi-monthly newsletter is a place to share general announcements, open positions, BME education resources, Tidbits, etc. To send an announcement via the BED newsletter, please prepare a 2-3 paragraph description including any relevant URLs and contact info as well as a subject line. **Do not include any attachments.** Be sure that the announcement includes the person to contact with questions. Email all this information to Rachel Childers at childers.73@osu.edu with **[BED Announcement]** in the subject line to facilitate email sorting. Announcements will be sent out approximately on the 1st and 15th of each month. **Each set of announcements will be included in the newsletter twice.** Announcements will also be recorded on the BED website (<https://sites.asee.org/bed/>) and HUB (<https://aseehub.asee.org/groups/home/34#active-group-members>).
