## **Congratulations Corner**

1. Congratulations to Dr. Karin Jensen for the Presidential Early Career Award for Scientists and Engineers (PECASE). The PECASE is the highest honor bestowed by the U.S. government on outstanding scientists and engineers early in their careers! Read more about it [here](#).
2. Congrats to BED members recognized as [Outstanding Engineering Teachers at the Weldon School](#). You may recognize a couple of names here. Congrats to Sharon Miller, Karen Alfrey, and Steven Higbee for this recognition!
3. **Submit Your Accomplishments:** Submit [this short form](#) to be featured in an upcoming ASEE Biomedical Engineering Division newsletter to highlight member accomplishments (self-submit or submit on behalf of someone you know). We will highlight accomplishments that are related to BME education and induction of ASEE BED members as fellows of related professional organizations (e.g., BMES, AIMBE). Seeing the teaching and career-related accomplishments of colleagues in education-focused roles has served as important inspiration for me over the years, and I hope it will do the same for you!

## **General Announcements**

1. **Action items from the Commission on Diversity, Equity, and Inclusion (CDEI):**
  - **Constituent Diversity, Equity & Inclusion Award:** This award seeks to recognize the actions of an ASEE constituent group who can show measurable accomplishments in 1) making the Society more inclusive of members from historically marginalized groups and/or 2) addressing issues of diversity, equity & inclusion within their constituency and/or the broader engineering and engineering technology education community. **Nomination Deadline: 11:59 PM ET on February 28, 2025. (See [this nomination form](#))**
  - **ASEE Best DEI Paper Award:** When reviewing papers, please encourage the membership in your division to nominate papers for Best DEI (see this [resource for guidance](#) and our [award description](#)). The program chair deadline for nomination is **February 28, 2025**. Program chairs please note that your nominations will rely on the draft paper submission, not the final paper.
  - **CDEI Blogs & Scholar spotlights:** Please review and share our recent CDEI Guest blog from [Obenfo James Holly, Jr.](#) & [Wendy Hill](#) and our scholar spotlight of [P.J. Boardman](#).

## **Participate**

1. **Volunteer to become a moderator for a BED session at the annual conference :** We are gathering interest in moderating sessions for BED during ASEE. This is a great opportunity to give back to the community, participate in leadership, and network with other members of this great education community! ## **Position Announcements**

Note: We advertise positions that have a BME education focus to ensure relevance to our BED members. Advertisements may include the following: teaching-focused faculty (TT or NTT) or staff positions, TT positions at PUI or R2+ institutions that have a larger workload and emphasis on teaching, and TT positions that allow for educational scholarship instead of traditional engineering research. If submitting a job posting, please ensure it meets these criteria.

### **1. Assistant, Associate, Full Professor – Educator, Department of Biomedical Engineering, College of Engineering & Applied Science, University of Cincinnati:**

The Department of Biomedical Engineering (BME) in the College of Engineering and Applied Science (CEAS) at the University of Cincinnati invites applications for multiple open rank full-time educator (non-tenure track) faculty positions (Requisition #97939 ) with the possibility to begin as early as August 15, 2025. The Department of Biomedical Engineering currently has 19 full time faculty, 16 of which are tenured or on tenure track, and an enrollment of about 400 undergraduate and 70 graduate students. The Department offers an ABET-accredited undergraduate program in Biomedical Engineering. The department also has graduate programs that confer Master of Science, Master of Engineering, and Doctor of Philosophy degrees. The Department has research focus areas in Medical Device Innovation, Medical Imaging and Bioinformatics, and Regenerative Medicine and Biomechanics.

Minimum Requirements: Prior to the effective date of the appointment, a Ph.D. in Biomedical Engineering or closely related field.

For the full job description and application requirements, please visit: <https://jobs.uc.edu/job-invite/97939/>

## **Call for Newsletter Content**

The ASEE BED bi-monthly newsletter is a place to share general announcements, open positions, BME education resources, etc. To send an announcement via the BED newsletter, please prepare a 2-3 paragraph description (~250 words or less) including any relevant URLs and contact info as well as a subject line. **Do not include any attachments.** Be sure that the announcement includes the person to contact with questions. Email all this information to Rachel Childers at [childers.73@osu.edu](mailto:childers.73@osu.edu) with **[BED Announcement] in the subject line** to facilitate email sorting. Announcements will be sent out approximately on the 1st and 15th of each month. **Each set of announcements will be included in the newsletter twice.**
