Hello BED community,

You likely already know that this year's ASEE conference is in Montreal, Canada. For many of us that means traveling internationally. Our past chair of the division, Dr. Sarah Rooney, pointed out that it might be a good idea to check your passport expiration now to make sure that it is ready for international travel. Many people may be able to [renew their passport by mail](#).

Our Program Chair (Alexis Ortiz-Rosario) and Program Chair-Elect (Brian Helmke) are busy planning for the upcoming annual conference. They are interested in getting your feedback on ideas for special sessions. How about responding to this poll to let them know which special session ideas sound good to you! If you have other ideas for special sessions, please email: ortiz-rosario.1@osu.edu.

Which special session ideas sound interesting to you?

- **Idea one:** *Special session on support/collaboration with tenure track faculty*
- **Idea two:** *A challenge/prompt session that asks participants to brainstorm around education challenges (may be in classroom, curricular, research).*
- **Idea three:** *A research/future direction of research for new researchers (a similar brainstorming session for those starting out).*

Choose all that apply: ([View/vote in browser](#))

Rachel Childers

2024 ASEE BED Division Chair

The Ohio State University, childers.73@osu.edu

This email has been sent using the Biomedical Engineering Division ASEE listserv. Please do not respond to this email address. Responses can be sent to childers.73@osu.edu

ASEE BED Announcements for 10/15/24

Red = last time announcement is included in newsletter

Congratulations Corner

1. **Congratulations to the 2024 Engineering Unleashed Fellows!**
2. **Brian Helmke wins UVA Alumni Association Distinguished Professor Award.**
3. **Submit Your Accomplishments**

Announcements

1. --

Participate

1. **Send me your interest in helping review the BED Bylaws.**
2. **BEEC member spotlight series**
3. **We invite you to help support the work of the CDEI (Commission on Diversity, Equity and Inclusion)**

Learn

1. **ASEE Commission on Diversity, Equity, and Inclusion (CDEI)- Virtual Workshop Recordings**

Open Positions

1. **The Walter Scott, Jr. College of Engineering at Colorado State University is hiring.**
2. **Hiring for a Professional Practice Assistant/Associate Professor in Biomedical Engineering at The Ohio State University**

Congratulations Corner

1. **Congratulations to the 2024 Engineering Unleashed Fellows!** You may recognize a few of our ASEE BED members in this list including: Dr. Amy Adkins, Dr. Cameron Kim, and Dr. Cassandra Jamison.
2. **Brian Helmke wins UVA Alumni Association Distinguished Professor Award.** Read the article about the award [here](#). Or there's another fun article highlighting Prof. Helmke with a flash back to a teaching demo you may have seen at the ASEE BED 2023 showcase.
3. **Submit Your Accomplishments:** Submit [this short form](#) to be featured in an upcoming ASEE Biomedical Engineering Division newsletter to highlight member accomplishments (self-submit or submit on behalf of someone you know). We will highlight accomplishments that are related to BME education and induction of ASEE BED members as fellows of related professional organizations (e.g., BMES, AIMBE). Seeing the teaching and career-related accomplishments of colleagues in education-focused roles has served as important inspiration for me over the years, and I hope it will do the same for you!

General Announcements

1. --

Participate

1. Send me your interest in helping review the BED Bylaws: are you a BED member that would like to help update the Bylaws of our division? I would like to organize an ad-hoc committee to help propose and implement updates to our Bylaws (hello online voting?). Please send me an e-mail (childers.73@osu.edu) by November 31st if you are willing to help.
2. **BEEC member spotlight series:** Watch the latest video on BEEC [member spotlight series](#), the first week of each month. There will be a chance to engage with the presenter and ask them questions on BEEC [Slack](#) channel the following week. Know a new member of the Biomedical Engineering Education Community? Are you a new faculty member yourself? Nominate candidates to be on our next spotlight video [here](#).
3. **We invite you to help support the work of the CDEI (Commission on Diversity, Equity and Inclusion). Ways to get involved:**
 - Get involved on a CDEI committee/team: <https://diversity.asee.org/deicommitee/get-involved/>
 - Check out the CDEI blogs and recommend people for scholar spotlights and guest blogs (or Blog/Spotlight link for them to submit their ideas).

Position Announcements

Note: We advertise positions that have a BME education focus to ensure relevance to our BED members. Advertisements may include the following: teaching-focused faculty (TT or NTT) or staff positions, TT positions at PUI or R2+ institutions that have a larger workload and emphasis on teaching, and TT positions that allow for educational scholarship instead of traditional engineering research. If submitting a job posting, please ensure it meets these criteria.

1. The Walter Scott, Jr. College of Engineering at Colorado State University invites dynamic and innovative educators to apply for full-time, career line faculty positions within our new common first-year engineering program. Faculty hired through this search will have an

affiliated appointment in one of our traditional engineering departments (Mechanical, Electrical and Computer, Chemical and Biological, Biomedical, or Civil and Environmental Engineering), but will primarily teach foundational courses in the first-year curriculum, including courses in engineering fundamentals and engineering for grand challenges. Instructors in the common experience program will play a critical role in shaping the academic experience for first-year students, fostering a sense of community, and ensuring their early success in engineering. <https://jobs.colostate.edu/postings/152055>

2. **Professional Practice Assistant/Associate Professor in Biomedical Engineering at The Ohio State University:** We are seeking highly motivated candidates for the position of Professional Practice (Assistant/Associate) Professor in the Department of Biomedical Engineering. This is a non-tenure track, teaching-focused position, with 12 months/year appointment, necessitated by the continued growth of our ABET-accredited undergraduate program in Biomedical Engineering. A highly competitive candidate will have significant experience in evidence-based and inclusive pedagogical teaching techniques and be (or have the potential to be) an educational leader with a passion for developing and delivering cutting-edge curricula.

- For more information and instructions on how to apply please go here: https://osu.wd1.myworkdayjobs.com/OSUCareers/job/Columbus-Campus/Assistant-Associate-Professor--Professional-Practice---Biomedical-Engineering_R115110-1
- Please forward to other interested candidates. Review of applications will begin November 15, 2024.

Call for Newsletter Content

The ASEE BED bi-monthly newsletter is a place to share general announcements, open positions, BME education resources, etc. To send an announcement via the BED newsletter, please prepare a 2-3 paragraph description (~250 words or less) including any relevant URLs and contact info as well as a subject line. **Do not include any attachments.** Be sure that the announcement includes the person to contact with questions. Email all this information to Rachel Childers at childers.73@osu.edu with **[BED Announcement] in the subject line** to facilitate email sorting. Announcements will be sent out approximately on the 1st and 15th of each month. **Each set of announcements will be included in the newsletter twice.**

Rachel Childers, Ph.D.

Professional Practice Associate Professor & Director of Undergraduate Education

Department of Biomedical Engineering

Fontana Labs 4100B, 140 W 19th Ave., Columbus, Ohio 43210
