## Seeking Nominations: DEED Outstanding Service Award [Click for more info!](#)

The DEED Outstanding Service Award is conferred by the Design in Engineering Education Division (DEED) to recognize members who have provided outstanding service to the division. Possible areas of service include holding officer positions, running workshops, obtaining grants to support DEED, and other activities related to design education. The award consists of an honorarium and commemorative plaque presented at the DEED Business Meeting at the ASEE Annual Conference.

Nominations should be submitted by email at ([asee.deed.officers@gmail.com](mailto:asee.deed.officers@gmail.com)) no later than **February 28, 2019**. For additional details, nominators should see the solicitation posted on the DEED website or click title above!

## DEED ESSAY COMPETITIONS:

### Student Essay Competition

Calling all students of DEED! As the ultimate stakeholder of design education, we look to you to imagine ... *What role should artificial intelligence play in engineering design education?*

**Submit to DEED's Annual 2019 Student Essay Competition! Submissions due April 7, 2019.**

Four winning student essay submissions, two from undergraduate students and two from graduate students, will get to present their work as part of part of the ASEE DEED Postcard Poster Session. At the session, the winners will be honored, including the official awarding of \$500 (to offset part of the cost of attending ASEE) and a certificate to each winning submission. More information available here: <http://deed.asee.org/wp-content/uploads/2019/02/DEED-Student-Essay-Competition-2019.pdf>

### Design Practitioner Essay Competition

Are you a design practitioner? Or have significant industry design experience? We invite you to submit to this year's parallel essay competition for design practitioners and professors of practice. Same question: *What role should artificial intelligence play in engineering design education?* But now, consider the role in education to better prepare engineering students to enter a workforce that may or may not be adopting artificial intelligence in design activities.

**Submit to DEED's 2019 Practitioner-Educator Essay Competition! Submissions due April 7, 2019.**

Two winning practitioner-educator essay submissions will get to present their work as part of part of the ASEE DEED Postcard Poster Session. At the session, the winners will be honored, including the official awarding of \$500 (to offset part of the cost of attending ASEE) and a certificate to each winning submission. More information available here: <http://deed.asee.org/wp-content/uploads/2019/02/DEED-Practitioner-Educator-Essay-Competition.pdf>
