Dear DEED Members,

Welcome to halfway through June and DEED's last newsletter before the annual conference! We have a lot of announcements about the conference, including our Distinguished Speaker session with Cindy Atman, a special session on the intersection DEED and the Precollege Engineering Education Division, a food court social with DEED leadership and lots more! For folks who are busy we've also made a [quick guide](#) that highlights all our ASEE 2024 events in one place.

We also have several openings in the DEED board, please check out below.

After ASEE this year I will be stepping down as DEED Chair, so thanks to all who have shared their announcements and postings over our newsletter as we've experimented with new forms of sharing. I'd like to introduce Jeremy Edmondson, our incoming Division Chair who will be taking over the newsletter.

As always, if you have items you'd like to be shared on the DEED listserv, please email them to Jeremy (jedmond2@ncsu.edu) within 48 hours of the 15th of the month and we'll make sure they get out.

DEED Announcements for June 2024**General Announcements**

1. **CALL FOR PARTICIPATION:** DISTINGUISHED LECTURE: Design Signatures: A Journey from Design Expertise to Design Awareness by Cindy Atman
2. **CALL FOR PARTICIPATION:** PreK-12 Engineering Education Conference

Position Announcements

1. **POSITION ANNOUNCEMENT:** DEED Executive Board: Program Chair-Elect, Directors, Committee on Diversity Equity and Inclusion Liaison and Graduate Student Representative

General Announcements

1. **CALL FOR PARTICIPATION:** DISTINGUISHED LECTURE: Design Signatures: A Journey from Design Expertise to Design Awareness by Cindy Atman

Cosponsored by Design in Engineering Education Division (DEED) and Educational Research Methods (ERM): Dr. Cynthia J. Atman, the founding director of the Center for Engineering Learning and Teaching (CELT) and professor in Human Centered Design and Engineering will discuss her research-to-practice journey from doing detailed research on design expertise to navigating the complicated world of design teaching.

The session will be held:

Monday, June 24th from 11:00 AM to 12:30 PM in the Oregon Ballroom 203 in the Oregon Convention Center. See attached flyer for more details. Hope to see you there!

2. **CALL FOR PARTICIPATION:** PreK-12 Engineering Education Conference

CP12 will be hosting a preconference conference for K-12 educators in the Portland area and those attending ASEE on June 22nd. This year's theme is Increasing and Diversifying Access to STEM. Are you a K-12 educator or know one in Portland or going to the conference? Register here: <https://sites.asee.org/p-12committee/newsevents/>

Position Announcements

1. **POSITION ANNOUNCEMENT:** DEED Executive Board: Program-Chair Elect, Directors, Committee on Diversity Equity and Inclusion Liaison and Graduate Student Representative

There are several openings on the DEED Executive Board. Come join us and help prepare for next year's conference! A variety of positions are open including our Program Chair-Elect, 2 Director positions, our Liaison to the Committee on Diversity Equity and Inclusion (CDEI) and our Graduate Student Representative.

Directors – In this position you will work with the rest of the Executive Board to plan out DEED activities for the next annual conference. Directors have the ability to identify a project of interest (e.g., a special session for the conference or award competition) and take the lead on that project with the help of the board. Directors have access to a small stipend to support projects they propose. This is a 1 or 2 year position, great for getting familiar with DEED or getting involved in the conference.

Program Chair Elect – In this position you work through the ranks of the DEED leadership, starting with Program Chair Elect, Program Chair, Treasurer, Division Chair and Past Chair. The role changes each year, with Program Chair Elect starting as a shadowing position before moving into Program Chair and beyond. This is a larger commitment and benefits from past experience in DEED, other ASEE divisions or other conferences, but will let you get deeply involved and have an impact on the future of the division.

CDEI Liaison – In this position you will work as the liaison between DEED and CDEI, sharing insights, initiatives, and concerns across the two groups. This will let you get involved with DEI initiatives at ASEE and work with the DEED board on these. This position can be held for 1 or more years.

Graduate Student Representative – In this position graduate students have an opportunity to get involved with DEED and learn about how a conference is planned. You will help support the team and speak to concerns and considerations graduate students have for the conference.

Interested in any of these positions? You can complete the form [here](#) or send an email listing what position you're interested in. Please provide a short (200 word or less) description of 1) Who you are and 2) What interests you about the position or what you hope to do/learn from it. We will be holding elections at our business meeting on Tuesday from 1:30-3:00 in Regency

To send an announcement to the DEED listserv, please prepare a brief description and include any relevant URLs (such as for job postings or conferences). Be sure that the announcement includes a contact person for any questions. Submit all this information to Jeremy Edmondson (jedmond2@ncsu.edu). Announcements will be sent out on the 15th of each month. Submissions 48 hours before these dates will be guaranteed to be included in announcements.
