

October 2024 DEED Newsletter

DEED Members,

Abstracts have been submitted and it is review time. Reviewers, the sooner you complete your reviews the sooner the authors will be notified and the less stress you will cause the Program Chair. We have a good number of abstracts submitted to DEED and we look forward to high quality papers.

MONTREAL 2025

From the Program Chair - Lisa Kames (ekames@floridapoly.edu)

- Reviewers have been assigned to papers. If you requested to review a paper and did not receive an invitation, additional reviewer requests will be sent this week.
- **Abstract reviews are due by Friday, October 25th at 11:59PM.**
- The [call for papers](#) is available on the [DEED website](#).
- The author's kit is available [here](#).
- As a reminder, in addition to the ASEE “Publish to Present” requirements, DEED requires the support of its authors in “Review to Publish” at both the abstract and manuscript stages.
- The workshop session requests are open! In order to submit a workshop request, please send them to ekames@floridapoly.edu and marzette.1@osu.edu. Workshops requested directly by the division get priority. They will be reviewed by the DEED board.

UPCOMING DEADLINES:

- **Friday, October 25, 2024:**
 - **Abstract reviews due in NEMO**
- **Friday, November 1, 2024:**
 - **Workshop applications due to program chairs**
 - **Program Chairs: Abstract Decision Announcement**

DEED Announcements for October 2024

Event Announcements

1. EVENT ANNOUNCEMENT: EVENT ANNOUNCEMENT: Human Centered Engineering Dialogues

The Human Centered Engineering Consortium is a passionate and forward-thinking community of leaders and educators, dedicated to advancing the field of Human Centered Engineering. We're inviting anyone interested in the area to join us for conversations about Human Centered Engineering, what it is and where it is going. We are running a series of Human Centered Engineering Dialogues to talk about shared interests in the field. These are informal conversational sessions hosted remotely via

Zoom. We would welcome you to join us! Our first session entitled “What is Human Centered Engineering” will be on October 30 at 12pm PDT. Direct questions to Brock Craft at the University of Washington, Department of Human Centered Design & Engineering bcraft@uw.edu. Please RSVP to join the session here: <https://bit.ly/HCE-Dialogues>

2. **Frontiers in Education SUNDAY WORKSHOP: Design Signatures in the Wild**

Sun. October 13 2024, 9:00 am to Noon, Washington DC at FIE

Are some of your students stuck in a design rut ... just going through the motions of their design project? Then come to the **Design Signatures Workshop**, where you'll learn how to use self-tracked timelines to **build design intentionality in your students**.

You can attend FIE Workshops even if you are not going to the entire FIE conference for a very reduced rate. [Register here](#)

Workshop facilitators: Cindy Atman (Washington) Daria Kotys-Schwartz (CU Boulder), Micah Lande (South Dakota Mines), Krina Patel (Buffalo), Reid Bailey (UVA)

Contact Reid Bailey (rbailey@virginia.edu) if you have questions.

To send an announcement to the DEED listserv, please prepare a brief description and include any relevant URLs (such as for job postings or conferences). Be sure that the announcement includes a contact person for any questions. Submit all this information to Jeremy Edmondson (jedmond2@ncsu.edu). Announcements will be sent out on the 15th of each month. Submissions 48 hours before these dates will be guaranteed to be included in announcements.
