August 7, 2017

Dear Members of the Engineering Libraries Division:

It is with immense pleasure that I inform you of the vote taken by the ASEE Board of Directors on Wednesday, June 28 approving a resolution of recognition and congratulations to the Engineering Libraries Division (ELD) on the occasions of both the 50<sup>th</sup> Anniversary of the Division's formation as well as its 75<sup>th</sup> anniversary as the first organized engineering librarians group.

ELD is an essential and valued component of ASEE. We are very pleased to see that ELD members were strong participants in the Governance Strategic Doing Team survey of members.

Congratulations again on your accomplishments and continued contributions to ASEE!

Dr, Bevlee Watford  
President of ASEE
