CONSTITUTION

Article I - Name and Objectives

Section 1. The name of the Division shall be the Liberal Education/Engineering & Society Division (LEES Division) of the American Society for Engineering Education (ASEE).

Section 2. The objectives of the Division shall be consistent with those of the American Society for Engineering Education.

1. The Division promotes the concept that the humanities and social sciences are an integral and significant part of engineering education, as well as being inherently important in themselves as branches of learning.
2. The Division emphasizes connectedness between the technical and non-technical dimensions of engineering learning and work.
3. The Division addresses issues emanating from the education and practice of engineers across multiple complex contexts – issues ranging from engineering communication to the aesthetics and epistemology of engineering design, from engineering ethics and professional responsibility to engineers' professional identities and roles, from the logic of engineering methodology to the mutual effects of engineering activities on politics, society, and culture.
4. The Division provides ways for people who teach the humanities and social sciences in engineering programs to share their ideas and concerns.
5. The Division provides ways for people in humanities, social sciences, and engineering to interact in the discovery and development of scholarly and curricular relationships.
6. The Division expresses its concern for and involvement in engineering education on an international scale.

Article II - Membership and Meetings

Section 1. Membership in the Division is open to all members of the American Society for Engineering Education.

Section 2. An annual business meeting of the unit shall be held during the annual conference of the Society. All meetings of the unit are open to all interested persons. However, only members

of the Division are eligible to vote on Division matters, including the election of officers. Those members present at the meeting shall constitute a quorum.

The business meeting shall include at least:

- a) Reports from the incumbent officers on the unit's activities for the preceding year, membership, and finances.
- b) Election of officers for the following year.
- c) Presentation and recognition of Awards.
- d) Discussion of additional Division business as needed.

Article III - Officers of the Division

Section 1. The officers of this Division shall be a Division Chair; Division Chair-Elect; Secretary-Treasurer; Program Chair; Program Chair-Elect; Webmaster & Newsletter Editor; and Immediate Past Division Chair.

Section 2. The Division Chair and Division Chair-Elect shall be elected to office by the Division members in attendance at the LEES Division Business Meeting at the ASEE Annual Conference. The term of these offices is one year and shall begin at the close of the Annual Conference.

Section 3. The Program Chair and Program Chair-Elect shall be appointed by the Division Chair for a term of one year. The term of these appointed offices shall begin at the close of the Annual Conference. The Division Chair shall consult with the outgoing and incoming Program Chairs prior to appointing the Program Chair-Elect.

Section 4. The Webmaster & Newsletter Editor shall be appointed by the Division Chair for a term of two years. The term of this appointed office shall begin at the close of the Annual Conference held during the appointment year.

Section 5. The Immediate Past Division Chair shall obtain office by succession and shall serve for a term of one year. The term of this office shall begin at the close of the Annual Conference.

Section 6. The Secretary-Treasurer shall be elected to office by the Division members in attendance at the LEES Division Business Meeting at the ASEE Annual Conference. The term of this office is two years and shall begin at the close of the Annual Conference held during the election year.

Section 7. In the absence of the Division Chair, the Division Chair-Elect shall assume the Chair's responsibilities for as long as is necessary during the remainder of the elected term. In any extended absence of the Secretary-Treasurer, or an appointed officer, the Division Chair shall appoint a replacement.

Section 8. Any elected or appointed officer of the Division shall be eligible to hold elected or appointed office during succeeding terms.

Section 9. There is an expected succession from Program Chair-Elect to Division Chair, so that a person who is appointed as Program Chair-Elect will successively serve as Program Chair-Elect, Program Chair, Division Chair-Elect, and Division Chair. This expectation, however, does not abrogate the Nominating Committee's responsibility, nor does it preclude a person from opting out of the succession.

Section 10. The duties of the officers shall be those set forth in the Bylaws. The duties of the Division Chair as the LEES Division representative to the Council Board of Professional Interest Council III shall be those described by the Bylaws of the Council.

Article IV - Committees

Section 1. There shall be an Executive Committee composed of the seven Division officers listed in Article III, Section 1. This committee shall be responsible for formulating the policies of the Division. The Division Chair shall serve as chair of the Executive Committee.

Section 2. There shall be a Nominating Committee consisting of the Immediate Past Division Chair, the Division Chair, and one Division Member at Large who is not currently serving in any elected or appointed office in the Liberal Education/Engineering & Society Division. The Immediate Past Division Chair shall appoint the Member at Large and shall also serve as chair of the Nominating Committee.

Section 3. A Program Advisory Committee shall be appointed annually by the Program Chair. This advisory committee shall include the Program Chair-Elect, the Division Chair-Elect, and shall consist of at least one person from the humanities, one person from the social sciences, and one person from engineering.

Section 4. An Awards Committee shall be responsible for selecting recipients of the following awards:

1. The annual Olmsted Award. The Committee shall solicit nominations from the LEES Division membership.
2. The LEES Division Best Paper Award. In general, the selection shall be from among the top 3-6 LEES Division papers for the ASEE Annual Conference as ranked by reviewers, but as screened and selected through the discretion of the Program Chair.

The Division Chair-Elect will chair the committee. The Award Committee consists of three Division members in addition to the chair who are past recipients of an award issued by the Division. Committee members are appointed by the Division Chair-Elect and serve staggered three-year terms. In the event that fewer than three prior award recipients are available to serve, the Division Chair-Elect will select substitute(s) for the year from the Division at large.

Section 5. Any officer of the Division may appoint special committees to assist in conducting the affairs of the Division.

Article V - Nominations and Elections

Section 1. Elections for the offices of Division Chair, Division Chair-Elect, and Secretary-Treasurer shall be conducted during the LEES Division Business Meeting at the ASEE Annual Conference. Those members of the Division in attendance shall constitute a quorum.

Section 2. The Nominating Committee, as constituted in Article IV, Section 2, shall nominate candidates for the elected offices of the Division (i.e., Division Chair and Division Chair-Elect annually and Secretary-Treasurer biannually.) The slate of candidates shall be submitted to the Secretary-Treasurer no later than April 15 of each year, and the slate shall be communicated to Division members no later than one month prior to the ASEE Annual Conference.

Section 3. All members of the Division, as so listed on the official database of ASEE, shall be eligible to vote for officers and in all special elections.

Section 4. A simple majority of votes cast shall be required for the election of officers.

Section 5. Action on Division issues shall be determined by a simple majority vote of those members present at the Division Business Meeting conducted during the Annual Conference of the Society.

Article VI - Publications

Section 1. As stipulated in Article VIII of the Constitution of ASEE, papers and discussions presented at meetings of ASEE shall become the property of the Society. "The Board of Directors, through its delegated representative, may grant permission to publish such papers and discussions elsewhere on condition that ASEE receive proper credit or may waive any property right ASEE may have in the paper or discussion."

Article VII - Amendment of Constitution and Bylaws

Section 1. This Constitution and Bylaws may be amended by a two-thirds majority vote of the Division members responding to a referendum conducted by e-mail or other electronic means.

Section 2. The following steps shall be completed prior to such a referendum: First, proposed amendments to the Constitution and Bylaws shall be distributed to Division members at least one month prior to the ASEE Annual Conference. Second, the members shall have the opportunity to comment on the proposals, and these comments will be made available at the LEES Division Business Meeting at the Conference. Third, the proposals shall be discussed at the Business Meeting. Fourth, the majority of the Division members at the Business Meeting agree that the proposals are ready to present to the Division for a vote.

Section 3. Mailed ballots may substitute for the electronic referendum if necessary.

Section 4. Amendments approved by the Division membership shall be submitted through the PIC III Chair for approval by majority vote of the ASEE Board of Directors and shall take effect only upon such approval.

Article VIII - Electronic Communication and Voting

Section 1. Electronic communication, e.g., e-mail or listserv, will be sufficient to meet the requirements of Article V, Section 2 (communication about the slate of candidates) and Article VII, Section 2 (communication about proposed revisions of Constitution and Bylaws).

Section 2. The Officers of the Division may also conduct electronic voting on proposals and referenda beyond amendments to the Division's Constitution and Bylaws as specified in Article VII. Following appropriate discussion of an issue, whether at the annual Division Business Meeting or online, the Officers may place an issue or referendum up for approval by the membership. The proposed items or referenda shall carry if approved by a simple majority (or a higher threshold if specified by the Officers for a particular vote) of the members responding by a specified date. The date shall be specified by the Officers, and no earlier than four weeks after a matter is put to a vote.

Article IX - Diversity

Section 1. The Division endorses the ASEE "Statement on Diversity and Inclusiveness," including its emphasis on expanding the participation, inclusion, and empowerment of historically under-represented segments of society in all engineering and engineering education activities. We believe this to be essential to the liberal education of all engineers and to their contributions to society.

Section 2. At the invitation of the ASEE Diversity Committee, the Division Chair shall appoint a non-voting delegate to the Diversity Committee. It shall be the responsibility of the delegate to communicate ideas from the Division to the Diversity Committee, and to bring forth specific proposals that emerge out of society-wide conversations within the Committee for consideration by the Division and its membership.

Article X - Other Provisions

Section 1. Any provision of these bylaws shall be deemed invalid if it contravenes the Constitution and Bylaws of the Society or of the Professional Interest Council (PIC) to which the unit belongs.

Section 2. The rules contained in Robert's Rules of Order, latest edition, shall govern this unit in all matters of parliamentary authority to which they are applicable and in which they are consistent with the Constitution and Bylaws of the Society and the Bylaws of this unit. In all other matters, the Constitution of the Society shall govern.

BYLAWS
