

## [k12\_div] ASEE PCEE APRIL 2024 DIVISION ANNOUNCEMENTS

Hello All,

I hope April is treating you well as you move through your current semester or quarter. The main updates in this month's announcement are the **last calls** for the PCEE Award and Division position nominations! Also, please spread the word about the CP12 Commission's Saturday June 22nd event – <https://sites.asee.org/p-12committee/newsevents/>

This email has been sent using the [k12\\_div@asee.org](mailto:k12_div@asee.org) ASEE listserv. Please do not respond to this email address. Responses can be sent to ([mportsmo@tufts.edu](mailto:mportsmo@tufts.edu)).

### DIVISION ANNOUNCEMENTS

---

The next PCEE Leadership meeting is May 14 at 6:30 EST. All PCEE members are welcome. The Zoom link is <https://tufts.zoom.us/my/mportsmore>

Any division member is welcome to come and raise any new business.

1.

**LAST  
CALL - DIVISION AWARDS NOMINATIONS ARE DUE APRIL 11**

### Know

**Someone Deserving of a PCEE Division Award? -Do**  
you know someone worthy of being recognized by the PCEE division for their work? Division Awards are meant to highlight excellence service and scholarly contributions

within the division. One or more of the following awards will be presented each year at the

Division's annual business meeting:

2.

§

Meritorious Service – This award is given to a PCEE Division member who has provided exemplary service in alignment with the PCEE Division Vision, Mission, and Core Beliefs and in support of pre-college engineering education efforts within ASEE. Such service

goes above and beyond baseline expectations for service within elected or appointed positions.

§

Lifetime Achievement – This award is given to a PCEE Division member who has provided a high standard of service in alignment with the PCEE Division Vision, Mission, and Core Beliefs and in support of pre-college engineering education efforts within ASEE,

and who has made significant and sustained contributions (10 years or more) to the field of pre-college engineering education.

The

form listed below can be used to provide your recommendation for the nominee.

Self-nominations are allowed! Apply here

**DIVISION**

**NOMINATIONS EXTENDED TO APRIL 15th**

Each

year we hold a nomination period for folks to nominate themselves or others for positions within the division. Holding a position is a great way to get more involved with the PCEE division, learn more about all the amazing work happening in P12 engineering education, and meet incredible folks to collaborate with on projects, grants and more.

After

the nominations are submitted and processed, we'll have our full membership vote in the election at the end of April. New positions change over at the annual conference in June.

The

positions that need to be filled are listed below and described in our [PCEE Bylaws \(Approved Oct 2021\)](#)

3.

Self

nominations are HIGHLY encouraged.
