**Directions:**

If you are flying into Los Angeles, it is suggested that you arrive at LAX Airport. You should rent a car at the airport, and ask for directions to your hotel. The LMU campus is located in Westchester (Los Angeles), about ten minutes north of LAX Airport.

If you are driving to LMU, you need to get on to the 405 (San Diego Freeway). Exit at Jefferson Blvd., heading west - toward the ocean. Make a left turn at Lincoln Blvd. Go to LMU Drive, and turn left into our campus. The entrance to our campus is off Lincoln Blvd.

As you enter our campus, the PSW Conference will take place at University Hall, the first building on your right past the water fountain and information booth. You can park your car in the underground parking facilities in University Hall. The Conference will be held on the ground floor (first floor) in Ahmanson Auditorium (UHall 1000).
