

## 2022 Spring ASEE Mid-Atlantic Section Meeting April 22-23, 2022

**In-Person Conference hosted by New Jersey Institute of Technology**

<https://mas2022.njit.edu/>

The ASEE Mid-Atlantic Section invites abstracts for papers for the 2022 Spring ASEE Mid-Atlantic Section Meeting. This **in-person meeting** is being hosted by New Jersey Institute of Technology with the theme of “Innovation in Engineering Education”. We welcome paper submissions from faculty, student service professionals, advisors, students, K-12 teachers, and industry and government agencies to present their latest accomplishments and innovations in Engineering Education.

We invite papers on all topics of interest to engineering educators, including, but not limited to:

- Innovations in Engineering Education
- Integrating Culture in Engineering Education
- Diversity, Equity, and Inclusion in Engineering Education
- Ethics in Engineering Education
- Creating a diverse and inclusive educational environment
- Multi-Disciplinary Engineering
- Entrepreneurship Education/Mentoring
- Online-Learning
- Service and Project-Based Learning
- Senior Capstone Design Projects
- Improving Critical Thinking
- Research Experience for Undergraduates (REU)
- Increasing Diversity in Engineering
- K-12 Engineering Education
- Novel pedagogical approaches to teaching engineering
- Addressing Covid-19 challenges
- Incorporating technologies in engineering education
- Addressing grand challenges through engineering
- Other relevant topics on advances in engineering education

Abstracts of 250-500 words may be uploaded by February 7th, 2022. Draft papers will be due on March 7th, 2022. We look forward to your submissions and seeing you at the conference.

Note that this meeting is a “publish-and-review-to-present” event: to present at the conference, your paper must be accepted for publication in the Proceedings *and* have at least one author must register for the conference *and* be available to participate in the peer review process for both abstract and draft paper submissions. At this event, the Mid-Atlantic Section will sponsor a Best Paper award consisting of a certificate and cash prize.
