

BED

Biomedical Engineering Division

Welcome to the Conference Issue!

2018 Conference Highlights

The division's growth was reflected in a record number of accepted submissions (n=57), which has doubled since 2015. Authors presented in 2 workshops, 7 technical sessions, and a poster session.

Please see [BED 2018](#) for descriptions of workshops and technical sessions offered in 2018, and check out the winner of the 2018 [Best Paper Award](#): "[Student Assessment of Active Learning Elements in 100-level Introductory Biomedical Engineering Course](#)"

Please see next pages for BED officers and award winners!

2019 Conference Information

Location: Tampa Convention Center in Tampa, FL

Dates: June 16-19, 2019

New in 2019:

- **Postcard sessions!** In addition to full papers that are presented in technical sessions, BED is now accepting work-in-progress submissions to be presented in a novel "postcard" or poster session format.
- **Review.** All authors must also review for BED.

Please see the [BED Call for Papers](#) for information!

BED

Biomedical Engineering Division

Meet the BED Officers! *(Members elected in 2018 indicated by *)*

Past Chair

Rachael Schmedlen
University of Michigan

Division Chair

Richard Goldberg
University of North
Carolina, Chapel Hill

Program Chair

Michael Rust
Western New England
University

Program Chair-Elect*

Renata Ramos
Rice University

Secretary*

Dianne Hendricks
University of Washington

Treasurer*

Judy Cezeaux
Arkansas Tech University

Vice Chair for Honors and Awards*

Mary Staehle
Rowan University

Member-at-Large

Tanya Nocera
Ohio State University

Member-at-Large*

Sarah Rooney
University of Delaware

Member-at-Large*

Aileen Huang-Saad
University of Michigan
