

# ASEE PreK-12 Spotlight

## Erin Jablonski

Erin Jablonski  
Bucknell University

Primary ASEE Division:  
Entrepreneurship & Engineering Innovation

Secondary ASEE Division:  
Pre-College Engineering Education

### INTRODUCING SECONDARY STUDENTS TO ENGINEERING

A one-week residential on-campus summer camp for grades 6-12

### SHOWING STUDENTS THE BREADTH OF ENGINEERING

Hands-on interactive activities that represent all engineering majors available at Bucknell

### SUSTAINING A UNIVERSITY AND K-12 RELATIONSHIP

An audience of approximately 150 campers per year over its 15+ year history

**ASEE PreK-12**  
Engineering Education

The ASEE Commission on PreK-12 Engineering Education spotlights ASEE members from every Section and Division making an impact in pre-college engineering education. Submit yours now:
