

73rd Midyear Conference

University of California, Berkeley | January 6-8, 2019

The Visualizing Instinct for Contemporary Education

Conference Website:
<https://sites.asee.org/edgd/73midyear/>

EDGD Website: edgd.asee.org

Timeline for Authors:
Friday, July 13th
Abstracts Due | ~150 words

Friday, August 24th
Digests Due | ~1500 words

Friday, October 26th
Final Digests Due

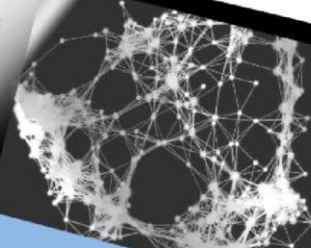

The Engineering Design Graphics Division (EDGD) of ASEE invites authors to submit papers for presentation at the 73rd Midyear Conference in Berkeley, California. The division welcomes relevant submissions from all engineering disciplines.

Topics of interest to EDGD include but are not limited to:

- Curriculum development
- Teaching and learning strategies
- Assessment in graphics education
- 3D modelling in engineering design
- Innovative technology
- Visualization
- Diversity in engineering education
- Graphics in international contexts
- Virtual/augmented reality
- Trends in graphical education
- Graphics education at elementary & K-12 levels

Some authors with exceptional research that would benefit from an interactive presentation format will be invited to present their papers at the media showcase event. The media showcase award will be presented to the best presentation.

Submit abstracts and digests electronically by 5PM EDT on due dates to:
<https://easychair.org/cfp/edgd73>
Selected digests will be invited for a special issue of the Engineering Design Graphics Journal
