A Message from the Chair

Hello fellow Engineering Economy Division (EED) members. It is an honor to serve such a vibrant division that has continued to focus on research and effective teaching of engineering economy during this challenging time.

EED welcomes you to join us at the **2022 ASEE Annual Conference and Exposition in Minneapolis, Minnesota!** To ensure our members are engaged with the division, we are offering **special sessions**, awards, and travel sponsorships to support your conference travel. The special sessions make it easy for you to present at the conference and requires only a 3-to-5-page paper describing what you are doing in your class. See the call for papers in this newsletter for details.

We offer a Best Paper Award (\$1000), multiple New Engineering Economy Educator Awards (\$1000, for those teaching <5 years), and abundant travel sponsorships of \$250-\$500. Submit an abstract by November 8 to be eligible.

Please plan to submit an abstract and invite a colleague to submit as well. Thank you for your dedication to EED. I look forward to seeing you in Minneapolis, MN in June 2022!
