

Wednesday

3241: ELD Poster Session

8:30 am-10:15 am
Hawaii Convention Center, Exhibit Hall 1p
Ibironke Lawal, moderator

3305: Mini Plenary

10:30 am-12:00 noon
Hawaii Convention Center, 316B
Dorothy Byers, moderator

Deborah L. Illman — Technology Journalism: Strategy to Enhance ABET Competencies and Public Understanding of Engineering

Clifford Lynch—Open Computation, Expanding the Approach to Scholarly Research in Engineering

Sponsored by the **Engineering Libraries Division**
Cosponsored by: **IET INSPEC** and **ProQuest/CSA**

3441: Scientific Literature and Data: Proliferation, Storage, and Open Access

12:00 noon -2:00 pm
Hawaii Convention Center, 318A
Cecilia Mullen, moderator

Amy Stout—The Data Dilema

James Van Fleet—Scholarly Communication Issues: Raising Awareness on Many Fronts

Maliaca Oxnam—Open Access to Legacy Federal Technical Report Literature

(Boxed lunch provided at noon; session begins at 12:30)
Cosponsored by **IET INSPEC** and **ProQuest/CSA**

3541: Engaging Uses of Course Management Systems, Blogs, and Open Source and a Database as Tools for Library Instruction

2:15 pm-4:00 pm
Hawaii Convention Center, 318A
Susan Boyd and Diana Wheeler, moderators

Jean McKenzie — Being Where Students Work: Integrating Library Research and Instruction into the Course Management System

Janet Blume, Sarah Bordac, and Lee Pedersen — Using Patents Databases to Teach Information Finding Skills to Engineering Undergraduates

Kathryn Kennedy — Use of Multiple Technologies to Promote Lifelong Learning to Engineering Students and Faculty

Michael Fosmire, Bruce Harding, Megan Sapp, and Amy Van Epps — Next Generation of Tutorials: Finding Technical Information at Purdue

Cosponsored by **IET INSPEC** and **ProQuest/CSA**

3641: ELD Extended Executive Committee Meeting

4:30 pm-6:00 pm
Hawaii Convention Center, 301A
Jay Bhatt, Moderator

ELD Poster Session

Wednesday, June 27th

8:30 am - 10:15 am

Hawaii Convention Center
Exhibit Hall

SAE Technical Papers: On-line or On-demand?

Larry Thompson, Virginia Polytechnic Institute and State University

The Hirsch Index of Sscholarly Output: New Measure, Ongoing Debate.

Amanda Werhane, University of Wisconsin, Madison

Low Stock, High Demand: Strategies for Recruitment and Mentorship of New Engineering Librarians.

Aleteia Greenwood, University of British Columbia

Satellites, Microsoft, and BASIC, Oh-My!

Collection Development in Computer Science and Engineering in Sub-Saharan Africa.

Megan Sapp, Purdue University

Building Student Assistant Skills: WebCT as a Tool to Enhanced Training for Library Student Assistants.

Brenda Mathenia, University of Nevada - Reno

A New Paradigm for Aesessing the Potential of a Digital Resource: The Paid Trail.

Jeri-Anne McKeon, Knovel and Lee Pedersen, Brown University

Thinking Globally: Library Support for International Distance Learning Initiatives.

Lisha Li, Georgia Institute of Technology

ASEE Annual Conference

Engineering Libraries Division Program

June 24-27, 2007

Honolulu, Hawaii

Saturday

CUEBALLS Social Event

(Completely Unofficial "Early Birds" and "Leftovers" Line-Up Squad)

6:00 pm-???

Brew Moon Restaurant and Microbrewery
Mel DeSart, Organizer

Meet in the lobby of the Hilton Hawaiian Village for a roughly one mile stroll to the Brew Moon Restaurant and Microbrewery.

Brew Moon is located inside Ward Centre shopping center, on the third level. For anyone who can't make it to the lobby of the HHV by 6:00, just catch up with us at Brew Moon later. It's just a mile down Ala Moana from the HHV.

Sunday

0241: Workshop: Measuring the lifelong learning outcome in terms of information literacy components

8:00 am-12:00 noon

Hawaii Convention Center, 318B

Kevin Drees and Barbara Williams, Moderators

0541: Workshop: Open Source Digital Library Systems: Streetprint & Greenstone

1:30 pm-4:30 pm

Hamilton Library, University of Hawaii, Manoa

Martha Chantiny and R. Schwarzwald, Moderators

0705: 2007 ASEE Picnic: Welcome to Paradise!

6:00 pm-9:00 pm

Hilton Hawaiian Village

2005 Kalia Road, Honolulu,

Presented by Dassault Systemes

Monday

1141: Thinking Ahead: Supporting New Technologies in Engineering Libraries

7:00 am-8:15 am

Hawaii Convention Center, 317A

Theodore Baldwin, moderator

Darcy Duke—Library 2.0 [BETA]: Implementing New Technologies in Libraries Using the Google Labs Method

Bruce Reid—Spatial Data (GIS) Support for Multiple Disciplines with Land Surveying Engineering as the Lead Element: A Work in Progress at the Penn State Wilkes-Barre Campus

Charlotte Erdmann—Nanotechnology in U.S. Patents: Classification, Searching and Analysis

Continental Breakfast Sponsored by Knovel.

1205: Main Plenary: Experiencing Engineering

8:30 am-10:00 am

Hawaii Convention Center, Ballroom A-B

1341: Special Interest Group: Get Acquainted Session

10:30 am-12:00 noon

Hawaii Convention Center, 321B

Bruce Neville, moderator

Lunch sponsored by Institute of Physics.

1441: Earth, Air, Fire, and Water: Ancient Elements or Ingredients of Disaster? Preparedness in Engineering Libraries.

12:30 pm-2:00 pm

Hawaii Convention Center, 316A

Alice Trussell, moderator

Bruce Neville—Library Disaster Recovery: Opportunities Seized and Lessons Learned

Bob Schwarzwald—Preparing for the Next Disaster: Learning the Lessons from the 2004 Manoa Flood

James Van Fleet—Disaster Planning and Preparedness: Defining a Library "Disaster"

1541: Business & Entrepreneurial Information for Engineers

2:15 pm-4:00 pm

Hawaii Convention Center, 319A

Stephanie Hartman, moderator

Christine Drew—Encouraging Use of Entrepreneurship Information Resources: Faculty/Library Collaboration

Danianne Mizzy, Tom Cassel, and Cynthia Cronin-Kardon—Information Skills for Entrepreneurial Innovation: Essential competencies

Angie Locknar and Stephanie Hartman—Supporting the Business Information Needs of Engineering Students: An MIT Perspective

1693: ASEE Emerging Trends Poster Session

4:30 pm-6:00 pm

Hawaii Convention Center, Exhibit Hall

1941: Welcome Reception

6:00 pm-9:00 pm

Royal Hawaiian Hotel Luau

Carol Brach, organizer

Luau sponsored by IEEE.

Tuesday

2141: ELD Annual Business Meeting (with Breakfast)

7:00 am-8:15 am

Hawaii Convention Center 316A

Kate Thomes, Moderator

Kate Thomes, ELD Chair, will provide an opportunity for members to come together to discuss issues relating to the workings of the division, as well as needs, ideas, and plans for the future. All ELD members are encouraged to attend. Division Awards will be presented.

Breakfast sponsored by Morgan and Claypool

2390: Mini Plenary

10:30 am-12:00 noon

Hawaii Convention Center 316B

LTG Carl A. Strock — Engineers and Public Policy: A View from the Top

2391: Mini Plenary

10:30 am -12:00 noon

Hawaii Convention Center 316C

Paul Percy — University-Industry Partnerships

2441: ELD Committee Meetings

12:30 pm-2:00 pm

Hawaii Convention Center 319B

2541: Managing and Mentoring

2:15 pm-4:00 pm

Hawaii Convention Center 321B

Kathryn Kennedy, Moderator

Panel of new and experienced librarians:

Karen Andrews, Mel DeSart, Megan Sapp Nelson, Jill Powell, Bob Schwarzwald, Kate Thomes, Amy Van Epps, Amanda Werhane, and Diana Wheeler

2641: Making connections: Reaching users through student groups, professional organizations and collections projects

4:30 pm-6:00 pm

Hawaii Convention Center 316A

J. Darcy Duke, Moderator

Kristen Fitzpatrick — Getting to Know You: How Partnering With Professional Societies Can Enhance Librarians' Profile and Impact

Randy Wallace — Mentoring Students Through Engineering Student Group Organizations

Tracy Gabridge — How Vulnerable are Conference Proceedings? A Data Collection and Outreach Project at the MIT Libraries

2741: ELD Annual Banquet

6:00 pm - 10:00 pm

Halekulani Hotel—Hau Terrace

Michael White, Organizer

Sponsored by Engineering Information /Elsevier
