Dear PCEE members,

It is time again for the ASEE Pre-College Engineering Education (PCEE) update, and there are ten items in this email. Look for the pink markers on each item number.

*Please take a minute and contribute/nominate where you can. PCEE is awesome because of members like you.*

-----

## 1. Our next PCEE leadership team meeting

...is Thursday, **Feb. 16th** - 1 pm PT/ 2 MT/ 3 CT/ 4 ET

Our meetings and meeting notes are open to our PCEE members. Join us if you'd like.

-----

## 2. Request- We need you! Nominate yourself or someone else.

Show PCEE some love and consider running for an open PCEE leadership position (highlighted in yellow below).

Nominations will be closing by the end of the month.

**\*\* Fill out this survey to nominate yourself or someone else! \*\***

### 3 Divison Awards - Nominate someone today

Know Someone Deserving of a PCEE Division Award?

Do you know someone worthy of being recognized by the PCEE division for their work? Division Awards are meant to highlight excellence service and scholarly contributions within the division. One or more of the following awards will be presented each year at the Division's annual business meeting:

- Meritorious Service – This award is given to a PCEE Division member who has provided exemplary service in alignment with the PCEE Division Vision, Mission, and Core Beliefs and in support of pre-college engineering education efforts within ASEE. Such service goes above and beyond baseline expectations for service within elected or appointed positions.
- Lifetime Achievement – This award is given to a PCEE Division member who has provided a high standard of service in alignment with the PCEE Division Vision, Mission, and Core Beliefs and in support of pre-college engineering education efforts within ASEE, and who has made significant and sustained contributions (10 years or more) to the field of pre-college engineering education.

To nominate yourself or someone else, please do so by February 24<sup>th</sup>. The form listed below can be used to provide your recommendation for the nominee. Self-nominations are allowed so please do not forget to → **Apply here** [PCEE Division Awards Nomination Form](#).

### 6 Share your **Engineering Education Story**

Submit a short (1-2 pages) write-up about something that you are doing with engineering education. Answer these questions: 1) Who did it?; 2) What did they do?; 3) What was the impact of the work/activity?; 4) What

pictures can you add to highlight the story?

Contact Erica Marti ([erica.marti@unlv.edu](mailto:erica.marti@unlv.edu)) and submit a story today, and remember that you can include pictures too.

## 10 **NSTA** anyone?

PCEE @ NSTA 2023 Presenter Interest?

Are you going to the March 22-25, 2023 National NSTA Conference in Atlanta or the other 2023 National NSTA Conference in Kansas City, October 26-28, 2023?

Would you like to share your great STEM work with a National audience of science teachers? If so, please email [katey@edukatey.com](mailto:katey@edukatey.com) to represent PCEE at NSTA.

I hope that you have a wonderful February and consider serving PCEE, highlighting your work with PCEE, or getting involved with PCEE at some level.

Take care and keep up the wonderful work for engineering education!
