

## ASEE Southeastern Section Conference 2021

### Collaboration Within and Without

ASEE-SE has a long-standing tradition of fantastic conferences which are open to everyone interested in improving the engineering education experience. Participants include faculty, students, department chairs, college deans, and industry leaders in engineering, engineering technology, and computing education. This year we will meet virtually Monday-Thursday, March 8-11 from 12:30 – 5pm ET. We look forward to more than 200 attendees with 80 presented papers and ample opportunities for active participation for attendees. We hope you will join us!

***New Direction for New Time:*** Conference organizers and section leaders have transformed this year's conference into a collaborative, virtual offering. Join a community of your colleagues from throughout the region, see familiar faces, learn new ways to engage engineering students, and engage through **roundtable** sessions and “**Actives**,” virtual workshop-like activities for the low price of **\$100**.

#### ***Daily Schedule:***

12:30 - 1:30pm Program Session

- Day 1 - Monday - Welcome and Orientation
- Day 2 - Tuesday - Plenary
- Day 3 - Wednesday - Awards Ceremony & Best Paper Presentation
- Day 4 - Thursday - Membership Business Meetings

1:30 - 2:00pm Networking Break (Collaboration)

2:00 - 3:00pm Technical Session I - Divisions/Topics

3:00 - 4:00pm Technical Session II - Roundtable / “Actives” (Collaboration)

4:00 - 5:00pm Technical Session III - Divisions/Topics

***Technical Program:*** This year's technical program includes **paper presentations** (traditional and rapid-fire formats) organized by division/topic including cross-disciplinary sessions on capstone design and addressing the engineering education challenges of teaching and learning under COVID-19.

***Call for Roundtables and “Actives”:*** Have a suggestion about what you want to talk about? Need help on a specific topic? Have an innovation to increase student learning to share? Put in an abstract to host a roundtable/active: <http://se.asee.org/Conference/Default.htm>

***Networking Opportunities:*** Mingle among colleagues in the **Virtual Hallway** between sessions or during one of the daily 30 minute networking breaks. Breakout rooms will be available throughout the conference for one-on-one and group engagement.

***Registration:*** \$100 per attendee
