REVIEWER DETAILS

Would you be interested in reviewing posters? Yes No

SUBMISSION DETAILS

Poster Title: **Preferred Topics of Interest:***Please select from the most relevant topic*

- Topics related to the conference theme, *Intent, Design, Solutions: Contexts in Engineering Education*
- Topics of General Interest
- Beyond the Technical Lecture
- Broadening Participation
- Teaching within Disciplines
- Moving Forward Through Collaboration

GENERAL GUIDANCE: Both research and design projects will be considered. Preference will be given to posters with a strong education component. At least one poster author must register for the conference and attend the poster session.

Target Audience(s)*Please select all that apply**Discipline:*

- Mechanical/Aerospace
- Electrical/Materials Science/Engineering Physics
- Computer (Science/Engineering/Information)
- Civil & Environmental
- Biomedical/Biological
- Chemical
- Pedagogy in Engineering Education
- Engineering Communication
- Other:

Interest Areas:

- Community Outreach
- Industrial Outreach
- Lectures
- Labs
- Active Learning Approaches
- Other:

Please classify the presentation as one (or several) of the following:

- Undergraduate Student
- Graduate Student
- Mixed Undergraduate & Graduate Student
- Faculty Advised Work
- Faculty

Other

Abstract:

When submitting the abstract, do not include the special characters ',",+,-,* , or /.

* Limit abstracts to 300 words or less
